

## PART.2 SUN

Spring – Summer 2016

Oysho continues on its journey to present Sun, the second chapter in the new Spring Summer 16 collection

With this second chapter, Sun, Oysho unveils a colour palette ranging from red to clay brown, guiding us through a line of the collection in which sunlight from a summer's afternoon inspires beachwear shapes and tessellation prints.

Long dresses and flowing trousers with paisley prints head this collection, accompanied by swimwear featuring handcrafted details such as macramé in khaki and ochre tones.
